 - MP Charles Angus named him in the commons, saying he was a violent person.
 - Angus endorses a PM that will send the military on children in bouncy castles.
 - NDP leader Jagmeet Singh is a racist for endorsing a PM that does black face and a terrorist in his own country, India, for not denouncing the Air India incident.
 - Claims the NDP as paid antifa in the past and that he has the evidence.
 - Then critic Canada Unity for claiming all his hard work.
 - Indicates he's been chased by cops all night and he chased cops.
 - Indicates he is not a violent person and he is disabled.
 - He will not give up.
- RCMP informed of a video posted by Pat KING on Twitter:³
 - Pat KING discusses a 'plan' with convoy protesters about what to do if police enforcement occurs. It is unclear what their plan is, and protesters appear to be confused and asking convoy leadership for guidance on whether to help protesters if they're arrested, or to stand down.
 - Pat KING states that **Personal Info.** was the only person at "Command" available last night and confirmed that **Personal Info.** would "tell everyone what's going on" and KING reiterates **Personal Info.** who is somehow in charge of everybody."
